

## 👑 UCW: GODDESS EDITION 🎰

The Official Rulebook for the Technician & the Boss

Welcome to the Arena! This isn't just a game; it's a battle of Skill vs. Power. Wayne is the Technician (fast, tireless, and tricky), and Cindy is the Goddess (powerful, dominant, and in charge).

Follow these steps for a perfect night of wrestling, laughs, and total dominance.

### 🕯️ PHASE 1: THE PRE-GAME PARTY (THE RITUALS)

Before the wrestling begins, the vibe must be set. Perform these three tasks to unlock the match.

The Offering: Wayne gives Cindy a 60-second foot or calf massage. While he works, he must tell her one thing he finds absolutely captivating about her.

Result: Cindy starts with a full energy bar.

The Goddess's Mark: Cindy claims her challenger! She leaves a "mark" on Wayne (a lingering kiss or a playful nibble) on his neck or chest.

Result: Wayne gets a "Focus Bonus" for his technical moves.

The Seal of the Match: A deep, 30-second kiss. Neither player can pull away until the timer on the TV hits zero.

Result: Unlocks the Final Stand mode for the end of the match.

### ⚖️ PHASE 2: HOW TO PLAY

The TV is the Arena. The Phone is the Remote.

Wayne (The Energizer Bunny): You have a lot of Blue Stamina. Your moves don't do huge damage, but you can go all night. You win by outlasting the Boss.

Cindy (The Boss Lady): Your moves do Massive Red Damage, but they make you tired! If your blue bar runs out, you have to "Recharge."

The Clothing Rule: Every time someone's Red Health bar hits zero, that's a Fall. The loser must remove one layer of clothing. The match ends when someone is down to the basics!

### 🥊 PHASE 3: THE MOVES & STRATEGIES

#### 💥 The "Boop" System (Strikes)

When Cindy uses a Boss Correction (a sharp, playful slap), Wayne becomes STUNNED. A golden crown will appear on the TV. This means Cindy's next move is basically a "Super Move" and will be much harder to escape!

#### 💖 The Love-Drunk Trap (Sensual Moves)

If you two do three Sensual Moves in a row (like a Neck Nibble or Breathless Whispers), the screen will glow pink!

The Effect: The very next wrestling move someone does will deal DOUBLE DAMAGE. Use the romance to lower their guard, then strike!

#### ⌚ The Submission Recharge

Cindy, if you run out of energy (Blue Bar), you must let Wayne put you in a Submission Hold for 10 seconds.

Wayne holds you tight, the TV counts down, and once it hits zero, your energy is 100% Refilled and you're ready to dominate again.

### ⌚ PHASE 4: THE WRESTLE-OFF (IRL CHALLENGES)

When the TV shows a giant countdown, put the phone down—it's time to wrestle!

The Goal: If the move is a Head Scissor or a Leg Lock, you actually do it IRL.

The Struggle: Wayne tries to wiggle out; Cindy tries to keep him pinned or squished.

The Decision: When the timer hits zero, look at the phone and tap who won the struggle.

If Wayne escapes, Cindy loses energy.

If Cindy holds him, Wayne takes a big hit to his health!

#### 🔥 PHASE 5: THE GRAND FINALE (SUDDEN DEATH)

When you are both on your last layer, the Arena turns pulsing Red.

Signature Moves: Before the match, you both "Call your Shot" and pick one Finisher.

The Unlock: When your opponent's health is below 25%, your Glowy Finisher Button appears on the phone.

The K.O.: Hit that button to trigger the Victory Animation. The TV will shake, flash, and announce the winner with a giant K.O. Banner!

#### 🎉 PHASE 6: THE AFTER-PARTY

The battle is over, but the night isn't.

The Movie Credits: Sit back and relax while the TV auto-scrolls through every move, slap, and kiss that happened during the match.

The Victory Speech: Cindy picks a "Sassy Quote" on her phone to display in giant gold letters on the TV.

Goddess's Grace: If Cindy won, she can demand a Victory Prize (like a 10-minute massage or more kisses) before the game resets.
